

## Help to Build a **Creative**

### **We are looking for you to join our Volunteer Team at ACT!**

We love to help people realise their talents, build confidence and skills and give people an opportunity to show what they can do. We have opportunities that may suit someone looking to learn new skills and gain work experience during the Summer break.

We operate a cosy Cafe which is at the heart of all the Centres activities; accommodating drama groups, artists, and musicians, as well as visiting companies and guests, and we are currently looking for **Café Assistants**.

As we run a year-long programme of theatrical performances and concerts, we are also looking for **Front of House Attendants** to assist customers attending our events. This Front of House role includes checking tickets, showing people to their seats and selling programmes. Volunteers also get the opportunity whilst volunteering to watch the staged performances.

In addition to positions in these areas, we also have roles for **Admin Assistants** in our Box Office and Reception areas, as well as **Marketing Distribution** opportunities coordinated by our Marketing Administrator.

**Arts Centre and Theatre Aberdeen is a recipient of the Queens Award for Voluntary Service in recognition of the great support it provides to volunteers and the community.**

**If you would like to volunteer with us, please contact our  
Volunteer Coordinator, Katie Ward on 01224 635208
