Are you looking for a great start to your career? Are you ambitious, driven and ready to make a difference? Do you want to be part of an innovative, creative and award-winning team? Do you want to join an outstanding workforce where each individual is a leader in their area of expertise?

AAB are recruiting across all of our dedicated training programmes and invite you to join us to find out what makes AAB a fantastic learning environment as you hear from experienced professionals and current trainees.

This awesome evening will give you the chance to meet with representatives from across the business so that you can find the answers to your questions.

We will provide more information on the different trainee routes available for students to begin their career journey with us, as well as letting you in on some top tips on how to stand out with your application. Our trainees will share their view of life at AAB, their experiences of their chosen programme as well as why they chose AAB.

If you attend on the night, you will automatically be entered into a prize draw to win £100 of BrewDog vouchers!
