

ACES

Virtual Programme

Starting 9th November 2021

- ACES 6 week programme for S5/6 pupils
- A blended online/on campus programme
- Choose from Art or Architecture
- Delivered Tuesdays 4.30 - 6pm each week

**Scan the QR code
to sign up now!**

Note: Spaces are limited and are subject to availability. Applicants who meet wider access criteria markers will be prioritised.

Architecture

Are you interested in studying Architecture & Built Environment? Would you like to join a forward thinking and multidisciplinary school, where innovative design meets contemporary practice?

This programme will develop your creative ideas with support from architecture lecturers. The programme is open to pupils who are passionate about architecture and who are considering making an application to one of the following courses:

- Architecture MArch
- Architectural Technology BSc (Hons)

Art & Design

Do you want to be an artist or a designer? Are you interested in studying creative courses at degree level?

This programme will provide you with an opportunity to develop your creative ideas with support from art and design lecturers. All materials are provided.

The programme is open to pupils who are passionate about art and design and who are considering making an application to one of the following courses:

- Contemporary Art Practice BA (Hons)
- Fashion & Textile Design BA (Hons)
- Three Dimensional Design BA (Hons)
- Communication Design BA (Hons)
- Painting BA (Hons)

**How to
apply**

How will you benefit from the ACES programme?

- Gain knowledge in art and design or architecture
- Develop confidence in applying for degree courses at RGU
- Gain invaluable experience that can be used in UCAS application personal statements
- Develop an understanding of RGU ahead of starting university
- Achieve a certificate once you have completed the programme
- An introduction to the university environment and student life.
- Support to develop transferable skills – problem-solving, teamwork, communication, presentation.
- Independent study.
- Advice and support to make informed decisions about your future.
- Advice on careers, pathways, and progression.
- An RGU student card and access to the library and online learning resources, along with access to retail discounts via our Associate Student Scheme.
- Each course will have an on-campus offering, however spaces are limited and subject to availability, in which case you may receive a digital delivery offer instead.
