

# APPRENTICE JOINER OPPORTUNITY

with

**CHAP GROUP (ABERDEEN)**

Here at CHAP we take a lot of pride in our longstanding tradition of taking on craft apprentices and potential onward employment and development once qualified. At present we have a total of 4 apprentices (Joiners, Bricklayers and Plant Fitter/Mechanics) at various stages of their training.

We are looking to recruit **1 Apprentice Joiner** to commence a 4 year Modern Apprenticeship (MA) towards the end of July 2020. This apprenticeship will offer the opportunity of hands-on vocational work experience and training, side-by-side with block release college attendance.

At minimum, applicants will need to demonstrate they have a good aptitude for hands-on practical work and also good basic numeracy skills.

If you have a keen interest in a Joinery Apprenticeship at CHAP Group then please apply via our website with an up-to-date CV, along with a brief cover letter/email explaining why you are interested in this apprenticeship and why you think you are a good candidate.

Closing date for applications is the 31st March 2020.
