

# FIND A NEW FOCUS

February-start courses at NESCol!

NORTH EAST  
SCOTLAND  
COLLEGE

## Why wait to start working towards your dream job?

Our fast track courses will allow you to focus on a subject you enjoy and gain a qualification before summer:

**Introduction to Science**

**Introduction to Workshop Skills (Engineering)**

**Introduction to Photography**

**Preparation for Media and Journalism**

**Gateway to Business**

**Passport to Sport**

**Technologies in Business**

**Performing Engineering Operations (Electrical)**

**Automotive Accident Repair – Body and Paint**

### Not sure what you want to study?

Our new Get Ready for College course gives students the chance to sample a number of subjects from across the NESCol curriculum, including Care, Sport, Social Studies, Enterprise, Wellbeing and Life Skills. Discover your passion, and prepare for the next level of study after summer in a subject you love.
